## **Shoe Drive Fundraiser**

*Carlisle Library Foundation is Collecting New and Gently Worn Shoes!*

**Carlisle Library Foundation** is running a shoe drive fundraiser and are asking for help from their community. They will be collecting new and gently worn shoes from March, 2021 to March, 2022. Drop off locations will be Carlisle Public Library, Carlisle City Hall, Great Western Bank, Peoples Bank, Mercy One Carlisle, or Carlisle High School, or contact to arrange a drop-off or pick-up!

By partnering up with Angel Bins, Carlisle Library Foundation will get paid for what they collect and plan to use the funds towards the operational needs of the library.

Shoe Drive Fundraisers are a fun and safe way to fundraise this year, while keeping socially distant! Shoes can be all sizes, but must be pairs and still wearable. We will be collecting athletic shoes in all sizes.

After Angel Bins collects the shoes, they are sorted and cleaned, then sent to micro-entrepreneurs in developing nations which allows people to create both businesses and jobs for people in local communities. Their income supports their families, and the inventory shoes the communities.

Make a difference in your community at home and overseas today. Donate your shoes to Carlisle Library Foundation.
